

## **Senior Care Assistant Vacancy**

### **Night Duty / 33 hours per week**

We are looking for someone with an NVQ Level 3 in health and social care or the equivalent qualification with a belief in the importance of people's wellbeing. You must be capable of providing support to those around you.

#### **Job requirements.**

NVQ Level 3 or equivalent.

Willing to undertake training.

Passion for delivering high quality care.

Excellent communication and interpersonal skills.

Familiar with medication procedures.

Confidence to lead a shift.

#### **About the role**

You will lead a team of carers and be responsible for maintaining the highest standards of care.

You will promote independence, choice, dignity and respect through the care you deliver to our residents.

You will get to know our residents families, helping us to deliver truly personalised care plans.

One of your key responsibilities is to administer prescribed medication and maintain accurate records of the job you do.

You will build strong relationships with the rest of the staff team.

All applications will be dealt with on an individual basis in accordance with the homes policy and organisational requirements.

We are an Equal Opportunities Employer.

The post is offered on a full time contract after an interim training period of 12 weeks.

Application pack is available from the office.
